Response to March 17, 2010 NJDEP Approval of Revised IRM RAWP

Dear Ms. Vogel:

Weston Solutions, Inc. (Weston) is providing this response to NJDEP's March 17, 2010 approval of the Revised IRM RAWP for the above referenced site. Attached is the list of monitoring wells that will be gauged for LNAPL during the IRM implementation. Weston has already begun the design and permitting phase of the IRM RAWP.

If you have any questions or concerns, please do not hesitate to contact me directly at 732-417-5834.

Very truly yours,

WESTON SOLUTIONS, INC.
